

## Webber Middle School Inclement Weather Procedures

**Under normal winter weather conditions the following procedures are in place on the Webber campus:**

1. At 7:25 a.m. staff assigned outside duty will be in their coverage areas.
2. All students may enter the building at 7:40 a.m. when the first bell rings.
3. Students that are eating breakfast in our cafeteria may enter the building at 7:25 a.m.

**If the following weather conditions are occurring, then our campus will implement our inclement weather plan (heavy rain, sleet, hail, and/or temperature below 15 degrees with unsafe wind-chill levels).**

**Under inclement weather conditions the following procedures are in place on the Webber campus:**

1. The decision to implement the plan will be made as early as possible that morning.
2. At 7:25 a.m. staff assigned morning duty will monitor the students as they enter the building.
3. Upon entering the building at 7:25 a.m., all students will report to the commons area to wait for the first bell to ring at 7:40 a.m.
4. If the weather conditions do not change and we need to keep students inside during lunch, we will be using both gyms for supervised activities after the conclusion lunch.
