

# MATH PLACEMENT PATHWAYS FOR STUDENTS

## INFORMATION FOR PARENTS

This document is provided to help families understand how math placements are determined and the possible pathways for students.

Placements are determined by school staff based on assessment, class data, and teacher recommendation.

### PLACEMENT TIMELINE

**PLACEMENTS ARE DETERMINED BY SCHOOL STAFF** using assessment results, class data, and teacher recommendation to place students in the course that is the best fit.

Our goal is to set every student up for success in math.
