

## Panthers Produce Application 2021-22

NAME \_\_\_\_\_ ID# \_\_\_\_\_

We will have limited space in Panthers Produce for the 2021-22 school year. If you are selected into Panthers Produce, you are expected to work on homework in a quiet and respectful manner. Teachers have the discretion to remove students from Panthers Produce who are not using their time effectively.

Using the space below, describe the following:

1. Why would you choose a Panthers Produce (i.e. many after school activities, challenging course work, needing extra support, etc.)?

2. How would you use your time?

As a student and parent/guardian, we understand the expectation of Panthers Produce.
