# Follow people to see their Tweets

## How to follow someone on Twitter

Ready to start following? You've got some options:

- Use the dropdown menu (or hover on desktop) in a Tweet.
- Select the Follow button next to the account name (in search results or a list).
- Visit the account profile and tap the Follow button.

# Turn on notifications to see what's happening now

## Web and mobile notifications

Turn on notifications for your mobile device.

If you have the app downloaded on your phone, set **push notifications** to send alerts when you're not on Twitter.

Don't have the app yet? Download the app first and then turn on **push notifications** so you don't miss a thing.

You can also set **web notifications** within your browser.
