Percussion	11am	8am	10am	10am	10am

* When multiple times are listed, you should choose whichever time best fits your schedule. The curriculum taught is identical in all sessions

It is highly recommended that all students joining their schools beginning band and beginning orchestra attend the program and participate at the site closest to their middle school. In many cases, students will study with their future middle school music teacher and will meet their future classmates if they enroll at the site nearest their middle school.

Each site has a “remedial” time to help students that may struggle or to catch students up that have to miss classes because of vacations. Talk with your summer teacher if you need to take advantage of the remedial class.

The 2023 summer music program is offered to all students entering middle school at no charge. We happily accept donations (\$50.00 recommended) to help us cover the expenses of the program and to get instruments and repair equipment. After you complete your online registration, you will have the option to make a donation through school pay. Visit <https://psdschools.schoolpay.com/link/SummerMusic2023>

Registration is completed through the PSD Parentvue (<https://www.psdschools.org/ParentVUE>). Early registration is requested so teachers can adequately plan for the first classes. Early registration will close on July 7 – but you can register in person at the first class if you miss the early registration.

More information on the summer program can be found at <https://sites.google.com/a/psdschools.org/psd-summer-music/>

All questions should be directed to the music teacher at the school your child will attend in the fall
