The summer advanced band and orchestra program is designed for students who will be in high school during the upcoming fall, or for students who have just graduated.

A band will be held at Fossil Ridge High School, and a band and an orchestra will be held at Rocky Mountain High School. Students can choose the program that is most convenient for them. We hope that students who will be playing in band and orchestra in the fall will be able to participate in order to continue to grow during the summer months. If you have any questions regarding equipment needed for the summer classes, please contact the director at the school you will attend in the fall.

Register via School Pay (<https://psdschools.schoolpay.com>)

Register/Pay at your home school or on your home computer anytime between March 4 and May 24.

If you miss the May 24 registration window, download a form from the Summer Music Web-Site at <https://sites.google.com/a/psd-schools.org/psd-summer-music/> You can bring the registration form and payment to the first day of class and hand deliver it to the instructor. The summer advanced groups do not close so you will be guaranteed a spot if you attend.

Fossil Ridge High School

Advanced Band - 11:00am to 12:30pm

Rocky Mountain High School

Advanced Band - 9:00am to 10:30am

Advanced Orchestra - 9:00am to 10:30am

A word about registration: We encourage all students interested to register via School Pay before May 24, 2019. The summer teachers will determine literature and difficulty of the music for the summer based on who has pre-registered. They will also have music and other class materials ready for those students that pre-register. If you do not submit your registration and payment by the May 24 date, you are welcome to participate.

Registration and Payment is completed via School Pay

<https://psdschools.schoolpay.com>

The Registration will “disappear” from School Pay on May 24, 2019 - after that date, you will need to show up at the first class and register on site.

The advanced bands and orchestras do not close. If you do not register before the May 24 deadline, you are still welcome to participate. Bring your payment to the first class meeting and the teacher can register you on site.
