The summer beginning band and orchestra program is a three week entry into the wonderful world of band and orchestra in middle school.

**All questions should be directed to the music teachers
 at the school your child will attend in the fall**

It is highly recommended that all students joining their school's beginning band and beginning orchestra will attend this program and participate at the site closest to their middle school. In many cases, students will study with their future middle school music teacher and will meet their future classmates if they enroll at the site nearest their middle school. If you have any questions regarding beginning band or orchestra, equipment, or the summer program, please contact the music teacher at the middle school you will attend in the fall.

For the summer of 2019, we will be offering summer music at five sites: Students attending Boltz and Leshner are encouraged to attend the Boltz site; Students attending Kinard and Preston are encouraged to attend the Preston Site; Blevins, Lincoln and Webber students are encouraged to attend the Blevins site. - You are welcome to choose any site or time that fits your schedule.
